

# Stage "Lords of the Railway" (Höchste Eisenbahn) after set-up

The stage on this picture is 6m broad and 5 m deep.  
Distance from the soil cloth to the first chair row 1,5m.  
We have aluminum bars for the curtain. The curtain is then hung up with ropes.  
They see our two small headlights and an old lamp (220V).  
To orientation: see our plan  
The headlights number 22 hang over the rear bar.  
Number 3/4/5/15/16/17 hang over the first spectator row or the at the beginning of the soil cloth.
